Have spoken with Peter Kelly and we are on it.

We will make contact with the relief staff that the BRISBANE youth detention centre uses and see who is available for work over the holidays. I have cleared it with the QTU and they are ok for now but will want to discuss future models. Our capacity to staff it will be subject to availability and I will let you know how we get on later.

Hope that helps.

### Watch House

We have a teacher to cover the watch house from tmrw. He will have to do a police induction on arrival and then good to go. We are still chasing one more teacher or teacher aide to support but there will be someone there everyday through till Easter Thursday.

Case closed. (Couldn't help but add a dad joke)

Hope you've had a good day!
